

### **Before taking a quiz or exam in Moodle**

1. Clear your browser cache (see the Moodle Troubleshooting page)
2. Only open the browser window you will need to take the quiz/exam
3. Have a second web browser ready in case your current browser is giving you problems (see the Minimum requirements page for a list of supported web browsers)
4. Make sure [\\*.health.unm.edu](http://*.health.unm.edu) is in your list of trusted websites
5. Make sure [\\*.health.unm.edu](http://*.health.unm.edu) is in your list of allowed sites under your pop-up blocker settings;
